Only

Refrigerated Cook Stands BENEFITS:

Cabinet Finish Complete stainless steel exterior, aluminum interior.

Heavy Duty Construction

2" CFC and HCFC-free foamed-in-place polyurethane insulation for added strength and energy efficiency.

Reinforced Insulated Top 16 gauge S/S top reinforced

Drawer Construction

LIFETIME WARRANTY ON DRAWERS AND SLIDES

Drawer frames are constructed of heavy duty 12 gauge stainless steel and are supported on 12 gauge telescoping drawer slides with 3 stainless steel roller bearing wheels per side for maximum support of stored food product. Top drawers accommodate 6" deep pans. Bottom drawers accommodate 4" deep pans. (Foodservice pans are not included.)

Exterior Digital Thermometer

Digital thermometer monitors interior temperature.

6" Heavy Duty Casters with Brakes Standard

Balanced, Lift-Out Refrigeration System

Operates at 36°–38°F for optimum food preservation.

Environmentally Friendly R134a Refrigerant

System utilizes R134a refrigerant, which is CFC and HCFC-free for compliance with environmental safety standards.

Agency Certifications

Products that have earned the ENERGY STAR® are designed to protect the environment through superior energy efficiency. For a complete list of qualified models, visit www.energystar.gov/cfs. Click on Commercial Refrigerators & Freezers on the right-hand side of the page.
