

A photograph of a commercial kitchen featuring stainless steel shelving, a refrigerated display case, and various food service equipment. The scene is dimly lit, with the primary light source being the overhead fluorescent lights. The refrigerated display case in the foreground has a digital temperature display showing 38°F. The background shows more kitchen equipment, including a sink and a stove area.

- Durable stainless steel exterior and interior
- Self-diagnostic digital temperature control and monitoring system
- Heavy duty 4" diameter front locking swivel casters
- Standard door locks with self-closing and stay open doors
- Cyclopentane Insulation – Environmentally friendly HFC free foam insulated units
- R-290 refrigerant – increase energy efficiency by up to 25% compared to HFC refrigerants
- All units accommodate full-size sheet pans
- Rear mounted evaporator pans on all top mount units
- All models equipped with NEMA 5-15 power plugs
- Electro deposition coated evaporator for increased performance
- Lifetime guaranteed heavy duty all metal door handles
- LED interior lighting
- Refrigerator temperature range between 33°F ~ 39°F
- Freezer temperature range between -10°F ~ 5°F
- Proofers temperature range between 56°F ~ 59°F

BOTTOM-MOUNT REACH-INS REFRIGERATOR/FREEZER

Bottom mount refrigeration system slides out for easy service and maintenance

Energy star rated and CEC Energy Commission Certified

Optional Reversible door – BSR23 and BSF23 models only (Special Order)

GLASS DOOR MERCHANDISER

- Painted Steel interior and exterior*
- Self-diagnostic digital temperature control and monitoring system
- Polyurethane insulation – high density foamed in place environmentally safe*
- R-290 refrigerant – increases energy efficiency by up to 25% compared to HFC refrigerants
- Self-contained back mounted compressor
- Epoxy coated wire shelves with adjustable shelving height*
- All models equipped with NEMA 5-15 plugs (BKG72-HC: NEMA L14-20)

COUNTER TOP GLASS DOOR MERCHANDISER*

- Fluorescent lit display panel and interior
- Triple-paned glass door
- Adjustable legs for leveling – no casters

PIZZA PREP TABLES

- Stainless steel cabinet construction
- Polyurethane insulation – foamed in place and environmentally safe
- Front breathing side mounted compressor
- Standard 19" deep, 1/2" thick reversible cutting board*
- Adjustable heavy-duty epoxy-coated wire shelves
- Lifetime guaranteed heavy duty all metal door handles
- Stainless steel drawer options*
- Four (4) 4" inch casters standard*
- Food pans are not included in the pizza prep table.

PREP TABLES

- Stainless steel exterior and interior
- Self-diagnostic digital temperature control and monitoring system
- Stay open doors with self-closing feature
- Cyclopentane Insulation – Environmentally friendly HFC-free foam insulated units
- R-290 refrigerant – increase energy efficiency by up to 25% compared to HFC refrigerants
- Lifetime guaranteed heavy duty all metal door handles
- Insulated pan cover with a stainless steel divider
- Epoxy coated wire shelves with adjustable shelving height
- Self-contained rear mounted compressor
- Models have a temperature range between 33°F ~ 39°F
- Electro deposition coated evaporator for increased performance
- All models equipped with NEMA 5-15 power plugs

SANDWICH PREP TABLES

Standard 9 1/2" deep, 1/2" thick cutting board included
 Four (4) 4" diameter swivel casters with front brakes standard
 Standard 1/6 4" deep food pans are provided
 Field reversible door: BLPT28-HC

BAR EQUIPMENT

- Galvanized steel cabinet with stainless steel floor construction
- Polyurethane insulation – foamed in place and environmentally safe
- Most models are equipped with front breathing side mounted compressor
- BBB23 and BDD23 models have back-mounted compressors
- R-290 refrigerant – increase energy efficiency by up to 25% compared to HFC refrigerant
- Models have a temperature range between 33°F ~ 39°F
- Optional casters – casters are standard on BBB23 and BDD23 models
- All models equipped with NEMA 5-15 power plugs

KEG COOLERS

Standard 12" stainless steel beer tower
 Heavy duty stainless steel counter top
 Recessed door handles
 1" height adjustable shelving
 Field reversible door – BDD23 model only

OPEN DISPLAY CASES

- Pre-coated steel interior and exterior
- High density foamed in-place polyurethane insulation – Environmentally safe
- Perforated interior rear wall and top vents for more efficient air circulation cooling
- Standard night curtain
- LED interior lighting
- Rear air guard
- Glass or solid side panels
- Plug in installation design
- Four 1" adjustable height shelves
- R-404 Refrigerant
- Self-contained bottom-mounted refrigeration system
