Commercial Dishwashers

Undercounter Dishwasher

Hoodtype Dishwasher

www.veetsan.us

VLAI1 Undercounter Dishwasher

The Undercounter Dishwashers are very fast, highly efficient and guarantee sanitization of dishes, glasses and plates reaching a productivity of 30 racks per hour with perfect cleaning and safe results.

State-of-the-art electronic controls with built-in programming, self-diagnostics for serviceability and automatic interior self-cleaning cycle.

Washing system endowed with rotating washing arms, high powered wash pump and large capacity boiler for professional washing. Built-in rinse aid and detergent dispenser with automatic initial and continuous cycle loading for perfect result while minimizing service and maintenance needs.

Designed to be reliable and durable thanks to the full stainless steel AISI 304 double skin cabinet and the double skin insulated door. Constant temperature of 84 °C throughout the rinsing cycle regardless of the network's water pressure and temperature and pressure (from 7-102PSI).

VDH63 Hoodtype Dishwasher

Hood Type Dishwashers are very fast, highly efficient and guarantee sanitization of dishes, glasses and plates reaching a productivity of 63 racks per hour with perfect cleaning and safe results.

The ergonomic and easy to monitor and operate electronic control panel, in the corner, provides maximum visibility and accessibility in any configured installation.

Stainless steel interiors and wash / rinse arms are extremely easy to clean thanks to the automatic cleaning cycle. Included atmospheric booster to raise incoming cold water to a constant temperature of min 180°F (82°C) and pressure throughout the rinsing cycle. No external booster is needed.

Inclined wash arms and ceiling to avoid washed water drops containing detergent on clean wares after the rinsing phase

- Included detergent and rinse aid pumps for automatic initial and continuous cycle loading ensure perfect results
- Revolving interchangeable stainless steel upper and lower wash/ rinse arms

ENERGY STAR Certified Commercial Dishwashers

Veestan Star ENERGY STAR rated commercial dishwashers meet strict energy-saving and water-saving efficiency guidelines.

Commercial dishwashers that have earned the ENERGY STAR are on average 40 percent more energy efficient and 40 percent more water-efficient than standard models
